### ANNOUNCEMENT.

FOR ATTORNEY GENERAL.

We are authorized to announce JOHN S. SMITH, of Bourbon County, as a candidate for Attorney General, subject to the action of the Democratic party.

Important Call Meeting of Democratic Committees.

A MEETING of the Democratic State Central and Executive Committees was called Saturday by Chairman P. P. Johnson to be held in Lexington Wednesday, March 8th, at 11 a. m. This will be the most important meeting of the party's governing power that is apt to be held during the present campaign for state offices.

A successor to Senator Grabel as member of the two committees from the State-at-large is to be elected in joint session, the party law reading: "A vacancy in the appointment from the State-at-large shall be filled by the members of the State Central and State Executive Committees and the said committee shall call it together for that purpose."

Mr. Ollie James, of Crittenden county, is the only person who thus far has been prominently mentioned for the place. It is not known whether he will be a candidate. He lives in Capt. W. J. Stone's congressional district.

The State Executive Committee will go into separate session later in the day to name the time and place and arrange the details for holding a State Convention to nominate candidates for the State offices. The basis of representation will be fixed.

Hon. John S. Smith's Candidacy.  
[Georgetown News.]

Hon. J. S. Smith has announced for Attorney-General. Mr. Smith was Commonwealth's Attorney of this, the Fourteenth, Judicial District, and made quite an able one, and filled the place with credit to himself and also the district.

[Georgetown Sentinel, R. p.]

Hon. John S. Smith, ex-Commonwealth's Attorney of this district, has announced himself as a candidate for the Democratic nomination for Attorney-General. John is a Scott county boy, an able attorney, and is worthy of this recognition. We would be pleased to see him become the lamb for slaughter. Luck to you old boy.

### Worthy of Reward.

F. L. McCHESNEY has done more intelligent work for Democracy than any other man in Bourbon county, and has been practically unrewarded. It would be proper and fitting to elect him to a clerkship. He is certainly competent and his private life is above reproach. [Millersburg Gazette.]

The country is suffering from too much Johnson in the House, too much Tillman and too much Hanna in the Senate, and too much Alger in the Cabinet.

A Kentucky congressman named Pugh is now after a berth that's brand new; But others in the race  
Covet Judge Barr's place,  
And are making Sam hustle a fugh.

The Dorothy Morton Opera Company is stranded at Atlanta. Manager W. B. Emmerson decamped Saturday with all of the company's money and left the company without money to pay their board. ## A Word to Doctors

We have the highest regard for the medical profession. Our preparations are not sold for the purpose of antagonizing them, but rather as an aid. We lay it down as an established truth that internal remedies are positively injurious to expectant mothers. The distress and discomforts experienced during the months preceding childbirth can be alleviated only by external treatment—by applying a liniment that softens and relaxes the over-strained muscles. We make and sell such a liniment, combining the ingredients in a manner hitherto unknown, and call it

## Mother's Friend

We know that in thousands of cases it has proved more than a blessing to expectant mothers. It overcomes morning sickness. It relieves the sense of tightness. Headaches cease, and danger from Swollen, Hard and Rising Breasts is avoided. Labor itself is shortened and shorn of most of the pain. We know that many doctors recommend it, and we know that multitudes of women go to the drug stores and buy it because they are sure their physicians have no objections. We ask a trial—just a fair test. There is no possible chance of injury being the result, because **Mother's Friend** is scientifically compounded. It is sold at \$1 a bottle, and should be used during most of the period of gestation, although great relief is experienced if used only a short time before childbirth. Send for our illustrated book about Mother's Friend.

THERE are eggs and eggs. The egg of yesterday looks, feels, measures and weighs like the egg of last month, but there's a difference in another respect, and that difference is worth money. Its just so with laundry. The difference between good work and poor is slight to the unpracticed discernment, but it's a difference that counts every time. It's a difference that changes your laundry bill from an expense to an investment. We do good work—it will cost no more than poor work but its worth double the difference.

## The Cruel Knife!

It is absolutely useless to expect a surgical operation to cure cancer, or any other blood disease. The cruelty of such treatment is illustrated in the alarming number of deaths which result from it. The disease is in the blood, and hence can not be cut out. Nine times out of ten the surgeon's knife only hastens death.

My son had a most malignant Cancer, for which the doctors said an operation was the only hope. The operation was a severe one, as it was necessary to cut down to the jaw bone and scrape it. Before a great while the Cancer returned, and began to grow rapidly. We gave him many remedies without relief, and finally, upon the advice of a friend, decided to try S. S. S. (Swift's Specific), and within the second bottle he began to improve. After twenty bottles had been taken, the Cancer disappeared entirely, and he was cured. The cure was a permanent one, for he is now seventeen years old, and has never had a sign of the dreadful disease to return.

279 Snodgrass St., Dallas, Texas.

Absolutely the only hope for Cancer is Swift's Specific.

## S.S.S. For The Blood

as it is the only remedy which goes to the very bottom of the blood and forces out every trace of the disease. S. S. S. is guaranteed purely vegetable, and contains no potash, mercury, or other mineral.

Books on Cancer will be mailed free to any address by the Swift Specific Co., Atlanta, Ga.
